A conference shall be held between the teacher and the Evaluation Team to develop an Assistance Plan that must include a specific statement of problem(s) related to one or more of the Iowa Teaching Standards (Standards 1-7) as well as specific growth promoting goals that are measurable, action-oriented, and time-bound. - The problem is resolved and the teacher is removed from the Intensive Assistance Plan.
- Progress is noted, the timeline is extended but may not exceed nine (9) school months and work continues in the assistance phase.
- The problem is not resolved, progress is not noted. Action shall be taken by the district to move towards a recommendation for non-renewal of contract.
